James Stafford Named Commander Pahokee Legion

James Stafford was elected commander of Fred and Percy Mansfield Post 90 by unanimous vote at the annual election of new officers held Monday night in the Woman's Club building.

Other officers elected for the coming year were Kenneth Mock, first vice commander; Joe Tom Boynton, second vice commander; Perry Duke, third vice commander; M. Bert Carlton, finance officer; Clyde Alley, historian; A. J. Lively, chaplain; Leonard Dobrow, sergeant-at-arms; Leonard Dobrow, David Bleech, Cecil Gray, G. C. McLarty and O. K. Carr, members of the executive committee.

Members of Post 90 accepted an invitation to join the American Legion posts of Belle Glade, Canal Point and South Bay and their Auxiliaries in joint installation ceremonies to be held at the Belle Glade Legion Hall on May 20. The group voted a \$25 contribution to be used toward the construction of a National Guard armory supply room at Belle Glade.

It was reported that Post 90 cleared \$75 from the benefit St. Patrick's Day dance. Announcement was made that Leslie Futch, a member of the post, is now a patient at a hospital in Orlando; also that Lee Rawls is a patient at Pratt's General Hospital in Miami. It was also announced that at the district Legion meeting held recently in Fort Lauderdale James Stafford, new commander of Post 90, was named a delegate to represent the district at the National Convention; also that J. T. Eckett, Sr., was elected district committeeman at the same meeting.

Junius Moon, formerly of Belle Glade, was received as a new member through transfer of membership card.

Salvation Army Plans State Work

Following the initial visit of Commissioner Albert E. Chesham, newly appointed southern leader of The Salvation Army, of West Palm Beach last week when the local program and service facilities were inspected, Major and Mrs. Charles Johnson, Palm Beach County leaders, have been called to the state headquarters at Jacksonville, for a planning conference looking to the possibility of adequately equipping the Palm Beach district, which embraces St. Lucie, Martin, and Palm Beach Counties, with facilities and maintenance funds for meeting the rapidly increasing demands upon the Salvation Army forces here.

Upon the return of the local Commanders, States Attorney Phil O'Connell, County-Wide Chairman of the Advisory Boards, and the city chairman of Boards throughout the County, are calling meetings so that the local planning program may be completed.

Mrs. C. C. Cruthird entered St. Mary's Hospital in West Palm Beach Wednesday in preparation for a major operation scheduled to be performed there today.

Lions Plan For Annual Election

Carl West was received as a new member of the Pahokee Lions Club at the Tuesday luncheon meeting. Mr. West was introduced and welcomed into the club by Frank Rozelle, deputy district governor.

Duncan Padgett was named chairman of the nominating committee which is to recommend a slate of officers for election at the next meeting. Past presidents of the club will also serve on this committee. Albert Snyder was appointed to represent the club on the National Guard advisory committee.

N. D. Willis of Belle Glade explained the need for the construction of a National Guard armory supply room in that city and asked the club for a contribution to this project.

On the program James Stafford introduced T. Harold Williams of West Palm Beach, guest speaker, who gave a talk on "Jurisdictional Courts."

Variety Show Is Pronounced Success

The Variety Show, sponsored by the Auxiliary of the Canal Point Legion, was an outstanding success when presented at the school auditorium last Friday night. Mike Maxson, son of Mr. and Mrs. Earl Maxson was crowned "Mr. American Legion" and Velma Williams, daughter of Mr. and Mrs. Jake Williams, was crowned "Miss Auxiliary."

In the boys' contest Edwin Dannelly placed second and Johnny Kautz came along in third place. There was little difference in the voting for these three places but the winner had a sizeable lead. In the girls' contest Judy Pugh came in second place and Dianne Hollon and Gail Sears were only two votes apart for third place. Those in the contest with more than 1,000 votes were: Linda Hand, Gail Garrison and Joy Sims.

Members of the Auxiliary, who were in charge of the presentation and contest, are to be congratulated for a job well done. The organization realized a neat sum of cash which will be used to equip the kitchen of the Legion home in Canal Point.

Auxiliary Names New Slate Officers

The Canal Point Legion Auxiliary met at the Legion home on Mar. 23 for a regular business and social meeting at which time officers were elected for the coming year.

School Bands On WSWN Broadcast

Saturday, April 3, was a red letter day in the lives of Canal Point School bands. The Second grade rhythm Band, and the Flute band composed of pupils from the third, fourth, fifth and sixth grades went to Belle Glade to play on the radio broadcast over WSWN on Saturday at 10:15 A. M.

The children were accompanied by Mrs. Wilma Lence, principal, Mrs. P. P. deMoya, second grade teacher, and Mrs. Sornie Baird, Music Director.

The entire group enjoyed the experience and wish to thank "The Music Man," Frank Leo Mark for making it possible. Mrs. Howell drove the bus and received a vote of thanks, too.

Mrs. L. L. Stuckey has returned from a visit with her son-in-law and daughter, Dr. and Mrs. R. Sam Mosley, in Miami.

Pahokee Student To JRC Convention

Miss Barbara Wilkinson, a member of the tenth grade at Pahokee High School, has been selected by the Palm Beach County Junior Red Cross Council as one of the three delegates to represent the county JRC at the national convention of the American Red Cross in San Francisco, June 21-24. Miss Wilkinson and the two other delegates, Willis Warren of South Bay and Anthony Moore of West Palm Beach, will travel to convention by train, accompanied by two chaperones.

To be chosen as a delegate to the national convention is one of the highest awards of the Junior Red Cross, bestowed in recognition of outstanding leadership and activity in Red Cross work. Last year another member of Pahokee High School, Dickie Johnson, then a member of the eleventh grade, was chosen to represent the county JRC at the national convention.

Mrs. Friend Named Head Of Local PTA

Mrs. D. L. Friend was re-elected president of the Canal Point Parent-Teacher Association at the April meeting held Monday night in the school auditorium.

Other officers chosen for the coming year were D. L. Friend, first vice president; Wilma Lence, second vice president; Mrs. Boyd Vorhees, secretary; Mrs. D. L. Hooks, treasurer, and Mrs. E. E. Conners, historian. Installation of the officers will take place at the May meeting.

D. L. Friend, program chairman, introduced Bandmaster Robert O. Lammi who directed his Pahokee High School Band in a beautiful and inspiring concert. Carolyn Scruggs played piano selections at the opening of the meeting.

It was announced that the executive board has authorized Alton Jones, to audit the PTA books. Announcement was also made of tentative plans, for a Red Cross first aid course to be conducted in the near future for residents of the Pahokee-Canal Point area. The monthly attendance banner was won by Mrs. Vivian Mercer's sixth grade room.

Following the meeting refreshments were served to the large crowd attending by the following hostesses: Mrs. C. L. Stuart, Mrs. J. G. Weeks, Mrs. Juanita Harlow, Mrs. J. E. Williams, Mrs. Melvyn Pugh, Mrs. J. Latham, Mrs. Jos Calhoun and Mrs. D. L. Friend. They were assisted by Mr. Friend.

Elks Degree Team Places 3rd In Meet

The Pahokee Elks Lodge No. 1638, entered the Ritualistic Team in the Degree Contest, held at Fort Lauderdale recently, and came off remarkably well inasmuch as this is the first time Pahokee has entered such a contest. Fort Lauderdale won the contest with a 99.85 per cent. Miami was second with 99.56, Pahokee third with 99.37, West Palm Beach fourth with 98.72 and Lake Worth last with a 95.82.

Candidates Toss Hats Into Ring In Pahokee Election

The season's on! The political season in the City of Pahokee that is. This week brings the first announcements for city offices to be filed in the annual election on May 4, 1948.

Mayor T. C. "Dick" Richardson was the first to announce his candidacy for re-election. He was followed closely by John D. Rogers who seeks the job of mayor. Following this announcement came that of Chief of Police, Altmann Morgan who seeks re-election. Then came W. F. Walker's announcement that he would seek re-election.

Mayor Richardson said: "I seek re-election on the basis of no small number of accomplishments which will be cited at a later date. I have endeavored to be mayor of the entire community and not a chosen few. I have played no petty, mean politics and seek re-election on my record."

Mr. Rogers made no public statement when he made his announcement.

Chief Morgan said that he "would in the future, as in the past, continue to make Pahokee's police department an outstanding one." He further commented on the cooperation of motorists passing through school zones and pointed out that his department would continue its watchfulness of the youngsters.

Mr. Walker in asking re-election to the city clerk job said that he would ask the people for their support on the record that he has made while in office. His many friends point to the splendid manner in which he has handled the office.

James M. Unwin Is Initiated At U of F

James M. Unwin, was one of the 26 men initiated into the Upsilon Chapter, Beta Alpha Psi, this semester at the University of Florida.

Beta Alpha Psi is a National Honorary and Professional Accounting fraternity organized 27 years ago at University of Illinois. Charters are limited to leading colleges and universities maintaining a strong accounting department. Membership in the fraternity is very limited due to the fact that those eligible for membership must be enrolled in advanced accounting; have an accounting average of better than 3 (B) and must have a general scholastic average of 2.5 (C) or better. In addition to these high standards, membership is limited to those men who have given evidence of exceptional probabilities of success in the profession of accountancy.

Dean Walter J. Matherly, of the College of Business Administration, addressed the members and initiates, at a banquet in the Primrose Grill, following the formal initiation.

Mr. and Mrs. J. A. Humble had as a guest the past week his father, John Humble of Birmingham, Ala.

WHY
must there be **2** kinds
of Telephone Dollars?

One kind to keep your service GOING

These are the dollars that are used to run the business — to meet the day-to-day expenses of supplying telephone service. You pay them with your telephone bill and the nickels you deposit in pay telephones. These dollars pay wages to telephone workers and all other expenses of furnishing you service. In addition, these dollars you pay for service must also provide a reasonable return to the people who have invested their money in the telephone business.

One kind to keep your service GROWING

These are the dollars that are used to build the business. They pay for new buildings, switchboards, wires, cables, poles, and other equipment. These dollars do not come from the bills you pay for telephone service because a regulated utility such as the Telephone Company is not permitted to earn enough money to put earnings back into the business. Facilities for improvement and expansion must be financed with dollars from investors, attracted by a reasonable expectation of safety and a fair return on their investment.

In order to keep your telephone service GOING and GROWING, there must be enough of both kinds of dollars. This requires adequate telephone rates—rates sufficient to pay the cost of furnishing you telephone service with enough left over to yield a reasonable return to investors who supply the dollars that make the service possible.

Among the University of Florida students who are spending the weekend with relatives in Pahokee and Canal Point are J. E. Spooner, Billy Rawls, James Latham, John Hatton, Irwin Maloy, T. J. Mullis, Charles A. Baker, Frank Handley,

Sam Lovell, Edwin Rice and Glenna Walker.

Dr. Emery Thomas of Canal Point is a patient at the Everglades Memorial Hospital this week.

The Woman's Society of Christian Service will hold a food sale on Saturday, April 17th at the new Sunday School building in Canal Point. Sale will begin promptly at 11 o'clock.

For Governor

Fuller Warren

Quotation From the
Warren Platform:—

"IMPROVEMENT OF PUBLIC SCHOOLS—As Governor, I will consider the school house as important as the courthouse. I shall endeavor to place it on a parity with all other branches of government. Some of my plans call for increases in teachers' salaries and benefits; improvement of working conditions; enlargement and modernization of present school buildings and construction of new ones where needed; continued emphasis on curriculum development and an adequate long-range financial program."

CHURCH OF CHRIST, SCIENTIST

"ARE SIN, DISEASE, AND DEATH REAL?" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, April 11.

The Golden Text is: "Israel shall be saved in the Lord with an everlasting salvation" (Isaiah 45: 17).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Say to them that are of a fearful heart, Be strong, fear not: behold, your God will come with vengeance, even God with a recompense; he will come and save you" (Isaiah 35:4).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "If sickness is real, it belongs to immortality; if true, it is a part of Truth. Would you attempt with drugs, or without, to destroy a quality or condition of Truth? But if sickness and sin are illusions, the awakening from this mortal

dream, or illusion, will bring us into health, holiness, and immortality. This awakening is the forever coming of Christ, the advanced appearing of Truth, which casts out error and heals the sick" (230:1-8).

Principals Named For Glades Schools

At a meeting of the county school board on Tuesday of this week principals of all Glades schools were renamed for another school year. They are: Pahokee, Dennis Caudill; Belle Glade, Frank Hobson; Canal Point, Mrs. Wilma Lence; South Bay, Harold Emery.

REV. MOBERG WILL PREACH SUNDAY NIGHT

Rev. C. A. Moberg, pastor of the First Baptist Church of Pahokee, will be back in his pulpit Sunday night at the eight o'clock hour. His subject will be, "Jonah and Israel." A most interesting parallel exists between the life of Jonah and the life of the people known as Israel. What was the mission of Jonah? Why were the Israelites chosen of God? What did Jonah refuse to do? Where did the Israelites fail God? These and other questions will be considered.

Mr. and Mrs. Tom Kirk had as a guest the past week Mrs. M. J. Welch of Tallahassee.

Mrs. G. L. Sims has returned to

her home in Canal Point after undergoing an operation at the Good Samaritan hospital in West Palm Beach. Miss Jane Sims of Atlanta is home for several days to be with her mother during convalescence.

COLIN ENGLISH Opposes a General SALES TAX

Because a general sales tax is a nuisance to the business which has to collect it and to the consumer who has to pay it...and, because a general sales tax places the burden of raising state revenue upon the shoulders of those least able to carry it, Colin English is opposed to a general sales tax.

After eleven continuous years' experience, as a member of the executive department of the State of Florida, and of the State Budget Commission, Colin English is convinced that...with the sound, economical and practical operation of each department...no new taxes will be necessary to meet the existing services afforded by our state government.

And, with Colin English as your next governor, you can be certain of a sound and economical governmental operation...because that's the kind of administration he promises you. He has proved his ability as an executive and a statesman and a leader. He has gained a thorough knowledge of state government through eleven years of successful service as a member of the Governor's Cabinet and as a member of other important state boards and commissions, during the administrations of three governors. Colin English will work with the National Conference of Governors to secure an agreement with the federal government by which the United States will abandon certain fields of taxation...and leave them for the revenue of the states.

Colin English has already done great things for Florida...and, as your Governor, he will continue to do all of those things that will serve the best interests of all Florida. Read his 33-point platform, then, vote for and

Roebuck Seeking Re-Election May 4

Work, work and still more work has been the chief fare of the County Solicitor. You can take it from W. E. (Earl) Roebuck, who should know. You can also take it from the Grand Jury which met early last year and recommended a much needed assistant for the office. "Pat" Reese was the man selected for the job and the result has been a hard-hitting, fast-moving team that is easing the burden of an overloaded docket. At the same time the dispatch with which the cases are now clearing the County Solicitor's Office means a definite step toward economy and savings to county tax payers.

With his post coming up for consideration by county voters in early May, Mr. Roebuck is seeking re-election. Campaigns are nothing new to Roebuck. Since his appointment by the Governor in 1926, he has come out on top of two elections in which he had opposition; other elections were without opposition.

Born in Fort Bassinger, Florida, in 1896, Earl came to Palm Beach county when he was a child. Part of his high school education was at county schools and he chose Stetson as the college at which to study law. In West Palm Beach he holds the distinction of being the first man to be elected by popular vote to the office of City Judge. That was back in 1923.

That Mr. Roebuck takes his job and the trust of the people seriously can be seen in the fact that during the present term, of the 3986 defendants brought before the Criminal Court of Record, he convicted 3156. This in itself is a herculean task considering that prior to the appointment of an assistant, all of the cases had to be investigated and dispensed with himself. These statistics do not include the innumerable cases coming before him—cases of a potential criminal character which still required investigation but which lacked sufficient evidence for criminal prosecution. The result was a considerable saving in the taxpayer's money.

A veteran of World War I, Roebuck enlisted in 1917, served until 1919. He is a 32nd degree Mason and a member of the Elks.

Bonnilu Lair Has A Birthday Party

Mrs. I. Marshall Lair entertained at the woman's clubhouse Saturday with a party honoring her daughter, Bonnilou, on her fourth birthday anniversary. The hostess, assisted by Mrs. W. H. Lair, Mrs. M. P. Holman and Mrs. J. M. Elliott, used a color scheme of pink and white in decorating the clubhouse for the affair. Toy turtles and parachutes were presented to the guests as party favors. Refreshments of ice cream, cake and punch were served.

Mr. and Mrs. David Jones of Ona were week end guest of Mrs. C. B. Jones and children in canal Point. They left Monday morning for Hialeah where they will visit Mrs. Jones' parents, Rev. and Mrs. S. B. Jordan.

Woman's Society Met With Mrs. Kepp

Seventeen members were present when the Woman's Society of Christian Service met at the home of Mrs. Don Kepp on Tuesday April 6th. Mrs. C. L. Stuart presided, and the devotion was led by Mrs. J. S. Harrington. "What the Rural Church can Do" was the subject of the program presented by Mrs. N. E. Maxson, Mrs. W. T. Blair, and Mrs. J. P. Parker.

Plans were made for a delegation to attend the state conference of the WSCS to be held in West Palm Beach, April 13, 14 and 15. Tentative plans were also made for a delegate to attend the state conference of the Council of Church Women in Winter Haven April 28th and 29th.

A food sale will be held Saturday, April 17th at the Sunday School building for the purpose of raising funds for new floor baskets and Potted Palms for the church.

Donald Harrington, student at Emory University at Valdosta, Ga., spent the past week end with his mother, Mrs. John Harrington, at Port Mayaca.

Methodists Of Canal Point Plan Services

Theme of the Morning Worship Service of the Canal Point Methodist Church on Sunday will be a sermon on the New Testament story of "The Man Who Miscalculated". The Evening Service will again feature the singing of beloved gospel hymns. The minister will speak, in answer to a request on the theme "In What Form Will They Come?". This sermon will be an enlargement of an idea brought out several weeks ago about the nature of the body in the life eternal. We will consider together the answers of both Old and New Testaments and the words of Jesus and the Apostle to bring light to this age-old problem. You will remember the questionings of the Sadducees who asked Jesus about an instance in which a wife had several successive husbands, all brothers, surviving the death of each one. They ask Him, "Whose wife shall she be in heaven?" The minister always welcomes requests of sermons on any subject for we need to find the Bible answer to many of our questions and problems in life today.

The Junior Boys, taught by Mary Helen Hooks, is leading the fine new contest started last week. The year just one step short of changing their rowboats for sailboats and they should reach Cape Horn next Sunday, 1,000 miles behind the Junior Boys are the Junior Girls, Intermediates, Beginners, and Primary Classes. The Men's Bible Class and the Woman's Bible Class made a bad start, their rowboats turning turtle on the very first day! We had 110 out last Sunday and hope to get that number to 125 and hold it there.

The MYF was host to the Glades Sub-District of the MYF last Tuesday evening. A Scripture reading by Billy Jernigan and songs led by Frank Rosenberg preceded the

presentation of Rev. Carl Moberg as the speaker of the evening. Billy Jernigan, Max Wilson, and Stanley Hooks led the group in games. The donations of many lay people made possible a real feast of hamburgers and rolls, fruit punch, and doughnuts. The MYF really appreciates the help of all those who made the evening such a grand success.

Hosts at the meeting of the Young Married Fellowship in the new Sunday School building on Friday at 7:30 will be the Popps Sears and the Harlan Sears.

Mr. and Mrs. Harry M. McIntosh are spending a week in St. Petersburg where Mr. McIntosh is attending a bankers' convention.
